DTV Consumer Education Quarterly Activity Report

Instructions

This form should be used to provide the Federal Communications Commission (FCC) with information pertaining to all station activity to educate consumers on the transition to digital television (DTV). All stations should log DTV Transition-Related Public Service Announcements (PSAs) and other DTV activities using the appropriate house (identification) numbers. These logs or records should include the date and time that each DTV activity occurred. This form must be filed in Docket Number 07-148 as Document Type: REPORT, and placed in the station's Public Inspection File. This form must continue to be filed for each quarter in which a station has DTV Transition education obligations.

Section A (For broadcasters electing Option One)

Stations that elect Option One must place a copy of this form on the station's public website, if such exists.

On its analog channel, and its primary digital stream, a station must air one transition PSA, and run one transition crawl, in every quarter of every day. This requirement will increase to two PSAs and crawls per quarter per day on April 1, 2008, and to three of each on October 1, 2008. Stations are required to air PSAs or crawls at various times in any given day part, and at least one PSA and one crawl per day must be run during primetime hours. On-air education must not contain inaccurate or misleading statements and must be provided in the same language as a majority of the programming carried by the station. PSAs must be at least 15 seconds, and closed-captioned. Crawls must run during programming for no fewer than 60 consecutive seconds across the bottom or top of the viewing area (See rules for additional details).

Have you aired a sufficient number of eligible PSAs (28, 56, or 84 per week, depending on the reporting period) during the correct quarters of the day?

☐ Yes ☐ No

Have you aired a sufficient number of eligible crawls (28, 56, or 84 per week, depending on the reporting period) during the correct quarters of the day?

☐ Yes ☐ No

Section B (For broadcasters electing Option Two)

On its analog channel, and its primary digital stream, a station must run an average of 16 transition-related PSAs and 16 transition-related crawls, snipes, and/or tickers per week in each quarter, all between the hours of 5 a.m. and 1 a.m.. It must also run one 30 minute DTV-related informational program once, and one 100-Day Countdown piece per day for the 100 days prior to the conclusion of the transition. Comment boxes MUST be used to describe these compliant activities (See rules for additional details).

KXXV-DT has a 24/7 local weather channel on subchannel 26-3, branded as 25 Weather Now. During non-severe weather, a constant crawl informs viewers this channel (which has been viewed on Time Warner cable 11 for about 12 years) is available free, over-the-air, with an antenna and digital TV or digital set-top box. KXXV-DT also broadcasts our local Telemundo station on subchannel 26-2, and this station has been branded "Telemundo Digital 26-2" since August 2005, to help raise awareness of the availability of digital channels.
